

# DR10MW

## 13.56MHz Mifare Card Reader with USB Interface

### Feature:

- 13.56MHz Mifare Card Reader
- Read and write functionality
- Read Range: Up to 5CM
- High speed transactions
- USB interface
- Power by USB
- LED indicator and buzzer feedback
- Communication protocol available for development

### Specification:

<b>Model</b>	<b>DR10MW</b>
<b>Interface</b>	<b>USB</b>
<b>Supply Voltage</b>	<b>5V DC</b>
<b>Supply Current</b>	<b>80mA</b>
<b>Operating Temperature</b>	<b>0-70 °C</b>
<b>Dimension(W x H x T)mm</b>	<b>140*100*30</b>
<b>Operating Frequency</b>	<b>13.56 MHz</b>
<b>Operating System Support</b>	<b>Windows 2K,2003, XP,Vsita(32bit), 7(32bit)</b>

All design and specification declared are subject to change without notice in advance
