

F20 fingerprint time attendance

1. TCP/IP + RS485 Communication + USB
2. User capacity 2000
3. Time attendance software
4. Fingerprint, password, RFID card
5. Access control interface

Detail specification:

Casing material : Acrylonitrile Butadiene Styrene (ABS)

Dimension(L*W*H): 181(L)91(W)36(H)mm

Type of scanner: Optical

LANGUAGE: English, Simplified Chinese, Traditional Chinese

User capacity : 2000

Transaction storage: 50000

Verification method: Fingerprint (1:1 , 1:N) , password , RFID card

Identification time (sec) : Less than 1sec

FAR (%): 0.0001%

FRR(%): 0.1%

Communication: RS232, RS485, TCP/IP, USB host

Baud rate (bps) : 9600, 19200, 38400, 57600, 115200

Wiegand: Wiegand OUT, Wiegand IN

EM lock driving output : DC12V-3A

Greeting voice : Voice Prompt (language can be selected)

Display: LCD with 80 character and figure keypad

Music playback : N/A

Temperature (°C): -10 ~ 45

Humidity (%): 20~ 80

Power input : N/A

USB: USB host
